Dear Friends:

Thank you for your gift of \$424.58 (for which you received no goods or services in return).

There's something special about sharing in "a first." We recently took our kids to Longhorn Caverns State Park in Burnet to experience the caverns. It was a first for nearly all our kids, but it was also a first for numerous staff. It was also impossible not to smile as our kids marveled over stalagmites, stalactites, and numerous types of bats. These are educational experiences that should not be taken for granted.

Your generosity allows for our kids to be able to experience many such "firsts." On behalf of Foster's Home for Children, thank you for thinking of us.
