Dear Brethren,

The Churches of Christ Disaster Relief Effort Inc. received check #100119, dated September 26, 2025, in the amount of \$416.67, and it was greatly appreciated. We could not continue the Lord's work without the financial support from you and others.

We continued to help areas that have been devastated by hurricane Helene, Milton, Beryl, and Delta in Florida, Georgia, North Carolina, Tennessee, and Texas with new appliances, furniture, mattress sets, and water heaters. Semi-trailer trucks loaded with supplies have gone to families where wildfires have taken place in California, Texas, Oklahoma, and New Mexico; also, where homes have flooded in Iowa, Kentucky, Texas, West Virginia, Arkansas, Illinois, Indiana, Mississippi, Missouri, Tennessee, and Wisconsin. We are ready to send supplies where it is needed. We appreciate your support in this work.

We are enclosing a "Monthly Summary," which shows the locations we have helped this past year. Thank you again for your support and please keep us and these areas we are helping in your prayers as we continue to help those in need.

Yours in Christ,

Mike Lewis
