P. O. Box 58 • Gallup, New Mexico 87305-0058
(505) 863-5530

Sponsored by the Gallup Church of Christ

- 24 hr Care
- Christian School

Dear friends,

We have been getting some rain and are finally out of the severe drought conditions that made the summer seem even dustier than usual! We've been getting showers most every afternoon over the last couple of weeks and the landscape is finally starting to turn green.

The kids are doing well in school this year. The girls have been involved in volleyball and band. The boys start basketball soon and there have been some talk about maybe running track in the spring.

Our new house parents Scott and Vicki Hoover have moved into cottage one. Norman and Cathy are still here one week a month doing relief house parenting. They are traveling giving updates to supporters the rest of the time. Unfortunately, John and Tina have retired and are no longer on campus.

We do need couples who desire to serve through taking care of children. We currently have openings for two Christian couples as house parents. If this interests you, please contact me and we can talk about details. This would allow us to help many more children!

Thank you for your continued support, we can't continue without folks like you! As we head into winter, we pray that you are able to keep us in your budget.

Sincerely,

Jim Christian
Executive Director

*Manuelito Navajo Children's Home did not provide any goods or services in return for your donation. Our auditors have instructed us to place this disclaimer that any funds raised above the cost of a specific project will be used for other projects or added to the general fund.

*"The most beautiful of God's creations blossoming in the New Mexico desert,
are the children of the Manuelito Navajo Children's Home."*
