

The heavens declare the glory of God,  
And the sky above proclaims his handiwork. Psalm 19:1

This week NASA released a new, color photograph taken by the Webb Space Telescope that has given us the clearest images of deep space ever taken. No doubt the debate will go on between those who believe God created the universe and those who believe in no creator, believing in creation by chance instead.

What does the Bible say about creation? I have listed a few passages for you and invite you to do some digging with me this week as we consider: *Do we really believe that God created the universe?*

Genesis 1:1-5; Job 12:7-10; Job 38;  
Psalm 8:1-9; 14:1-2; 19:1-2; 36:5; 102:25-27; 136:5-9; 147:5  
Proverbs 8:27-29; Isaiah 40:25-28; 44:24; 45:7 Jeremiah 32:17; 33:2  
Romans 1:20-22 Colossians 1:15-17 Hebrews 11:3 1 Corinthians 2: 14

May God bless you and your study this week!

# CONNECTION

**C** Good Morning Everyone! This week our featured member is Ronny Tucker.

**R** Ronny primarily grew up at W.H., coming to us with his parents, Dean and Willodyne, when Ronny was in kindergarten. Except for just a few short years when they moved away briefly, Ronny has been a faithful member here at W.H.

**N** Ronny went to W.H. High school for a year and then on to S.W. High School where he graduated. He earned a business degree from A.C.U., where, ironically, he was roommates with our own Mark Musselman's brother for the duration. This was years before the Musselman family moved to Texas from California. What a small world!

**E** While Ronny has worked at Lockheed for most of his career, he had an interesting stint with Motorola during the 90's. Ronny worked in a group tasked with developing a cell site that could enable this new product called a "cellphone" to actually connect to the internet and process data as well as make calls. What???? Whoever heard of such a thing?

**R** Flash to the present day: So.... now when you are addicted to surfing on your cellphone these days, you can thank guys like Ronny for making it happen!

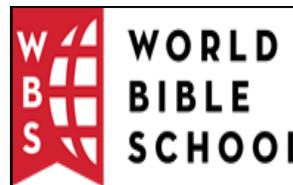

Ronny brought life to the term "seeking the lost" in 2003 or 4. His family had a cabin up in New Mexico near Camp Blue Haven and a national forest. Word came to Ronny's family there about midnight one night that a family that had gone hiking was missing and presumed lost. Ronny and his faithful dog took out on his ATV that pitch black, cold, and rainy night to help search. After a couple of hours, he found the family huddled under a pine tree, cold, wet, and shivering. He had to ferry the three kids and two adults back to his cabin one at a time, where Willodyne gave them towels and a hot shower. What a heartwarming story!

I encourage you to spend some time getting to know Ronny. There are more stories where these came from!
