

A Commitment To Integrity

What is integrity? Integrity is the quality of being honest and having strong moral principles. Some examples of everyday integrity include refraining from sharing secrets and confidential information with others, always being honest with your partner, avoiding gossiping about others, keeping your promises, admitting when you're wrong, etc. Integrity can also apply to our daily walk with God. In Psalm 101, David promises to walk righteously before God with all integrity. He pledges to sing, to make music, and to study the way that is blameless. He cries out to God, ***“Oh when will you come to me?”*** David vows to walk with integrity of heart setting nothing worthless before his eyes. He crafts a life of integrity by deleting certain influences from his life while saving others. Looking with favor toward the faithful and rewarding their righteousness will be those who dwell around him. But he will put away and destroy all evil. David goes as far as to pledge to do this every morning. It is good to read this Psalm over and over and try to make our lives to be the same. Do we keep our eyes from viewing worthless things? Do we walk with integrity before God? Sometimes it is hard to always do the right thing. We fall short of God's glory when we do. But our God loves us immensely and is willing to forgive us if we will turn and seek His forgiveness. Do you need to recommit your life to God today?

CONNECTION

Good Morning church family! Today we get to feature one of our long time members, Sue Little-Smith.

Sue has been a WH member since 1964. Even though she has been limited in attending in person because of health reasons the past couple of years, she remains an active part of our family here.

Sue has lived almost her entire life here on the Westside of Ft Worth. She graduated from Arlington Heights High School and is anticipating her 67th reunion of her graduating class very soon. Her class has 30-40 classmates that continue to attend and keep up the school spirit year after year. Sue had an unusual celebration on her graduation night as she and her boyfriend Bob were married following graduation! They had met on a blind date a couple of years earlier and were married in her home graduation night. They were blessed with 2 daughters and 1 son.

As a single mom 14 years later, Sue supported her family by beginning a career with Tarrant County in the Precinct 1 Place 1 Justice of the Peace office as a part time helper. She was consistently promoted and worked for 8 different Justices during her 30 year career, finally retiring as the Chief Clerk for the office.

Sue credits God, her WH family, and friends with helping her so much when when she became a single mom. She refers to these people as her "angels", two of whom were Bobby & Bonnie Houk, also WH members for many years before their passing.

Sue has been very active with the WH family over the years, working in the kitchen for fellowships, hosting 1st Sunday luncheons, and helping in the food pantry, Ladies Bible Class etc. She participated in the World Bible School program for many years, and, along with the Bandys had about 400 active students in local jails. Many of you have been blessed by some type of encouragement card that Sue has sent and continues even now to send out. She especially tries to help encourage our WH shut-ins with her "Remember Me" care group. She hopes, and we continue to pray that she is able to attend in person again in the future. She has been and will be a great blessing to our church family. I hope you take an opportunity to reach out and encourage her and get to know her. You will be blessed!
