

I am thankful...

*For the wife who says, "It's hotdogs tonight,"
Because it means she is home with me, and not with someone else.*

*For the husband who is on the sofa, begin a couch potato,
Because he is at home with me, and not out at the bars.*

*For the teenager who is complaining about doing dishes,
Because it means he/she is at home, and not out on the streets.*

For the taxes I pay, because it means I am employed.

*For the mess and the clean up after a party,
Because it means I am surrounded by friends.*

For the clothes that fit a little snug, because it means I have enough to eat.

*For the lawn that needs mowing, windows that need cleaning,
And gutters that need fixing, because it means I have a home to live in.*

*For all the complaining I hear about the government,
Because it means we have Freedom of Speech.*

*For the parking spot I find at the far end of the parking lot,
Because it means I am capable of walking,
And I have been blessed with transportation.*

For my huge heating bill, because it means I am warm.

For the pile of laundry and ironing, because it means I have clothes to wear.

*For the weariness and aching muscles at the end of the day,
Because it means I have been capable of working hard.*

*And for the alarm that goes off in the early morning hours,
Because it means I am alive.*

Sometimes, we need to stop complaining and be thankful for what we have. Do we forget about how God has blessed us? Look at your lives, and realize how truly fortunate you are, then turn your head upward and thank your God! Think about it!

Do I Have The Mind Of Christ?

Philippians 1.27-30

1. Have you ever tried to get a group of people to think the same way?
2. How strong is a group of people who are united?
3. How do we come together as the church?

As Children Of God, We Should...

I. Have The Same _____ (Philippians 2.1, 2).

- A. What are the _____ we have in Jesus?
- B. Paul wants all Christians to be united together, but—
 1. How can we have the same mind?
 2. How can we have the same love?
 3. How can we have the same way of thinking?
- C. Why does Paul want all Christians _____?
 1. When citizens of the kingdom of heaven are divided, they become vulnerable to their "_____."
 2. Who is our adversary? (I Peter 5.8)

II. Do Nothing From _____ (Phil. 2.3, 4).

- A. Why did Paul say we should do nothing from _____ or _____?
- B. What is the remedy for self-centeredness and pride?
 1. We should have _____ and regard others _____ than ourselves.
 2. What is humility?
 3. How can I look at others and think they are _____, or more important than myself?

III. Have The Mind Of _____ (Phil. 2.5-8).

- A. Paul reminds us of what Jesus did, why?
 1. We must _____ the same way Jesus did.
 2. The great challenge is to have the _____ of Jesus.
- B. What does it mean that Jesus was in "*the* _____ *of* _____"?
- C. How did Jesus " _____ "?

IV. Be Highly _____ (Phil. 2.9-11).

- A. Why are we told that God highly exalted Jesus?
- B. If we have the mind of Christ, God will _____ us.
 1. The reason we can joyfully sacrifice ourselves and put the interest of others ahead of our own is because God has promised to _____ and _____ us.
 2. Living a humble and sacrificial life leads to exaltation from God.
 3. There are many scriptures that teach if we _____ with Christ, we will be _____ with Him (Romans 8.17; 2 Timothy 2.11, 12; James 4.10; Luke 18.14).
 4. Paul knew the joy that would be his after humbly _____ the _____ (2 Corinthians 4.17).
- C. Have we realized what truly awaits us if we live for God?

Conclusion: Are you ready to take on the mind of Jesus this morning?

Good morning, WH church family. Today we are featuring the Brandon and Jennifer Duncan family.

Brandon was born in Yokosuka, Japan, as his father was stationed there with the Navy. Brandon grew up in Scurry, TX and graduated from Scurry-Rosser High School. He was a football player there and went on to play for Texas A&M-Commerce as well. He graduated with a degree in Kinesiology with the plan to teach and coach football. He worked for a brick company while completing his teaching certificate. He then taught and coached for several schools, including one position in Mabank, where he was able to coach with his father. Brandon then moved into administration, having served as Assistant Principal for Mineral Wells Middle School, and is currently with Azle High School.

Jennifer was born and raised in Dallas and graduated from the Science and Engineering Magnet High School - Townview. Jennifer competed with the math and computer science teams there, but loved to be active with the church youth group, participating in Camp Blue Haven and church mission trips. (She still is active in church youth group activities, just this time on the parental side!) Jennifer went on to graduate from the University of Texas ("Hook 'em", I'm just sayin') with a BS degree in Computer Science. She worked for Raytheon Corporation as a software developer before moving on to BNSF Railway for 10 years as a Program Manager. She now works for 6 Street Digital as a Salesforce Project Manager.

Jennifer and her mother attended a church women's retreat where the speaker wanted to introduce Jennifer to a "boy she knew." She asked for Jennifer's phone number so she could get him to call her. Well, she did, and then he did . . . (que the romantic music here) and after talking on the phone and emailing for a while, they had that first date. Jennifer's dad saw the look on her face after the date and knew that Brandon was going to be the one. (Oh, there is much more to this story, you have to hear them tell it!) They soon married and have been blessed with 2 children. Brandon serves as a deacon and on our security team, and both Brandon and Jennifer are very active in LTC, VBS, and youth activities. They currently are hosts for one of our small group studies. I encourage you to reach out and get to know this family better, you'll be blessed!
