

Welcome

Mountain Top

I love to sing and I love to pray
I worship the Lord most every day
I go to the temple and I just want to stay
To hide from the hustle of the world and its ways

Chorus:

I love to live on a mountain top
And be fellowshipping with the Lord
Love to stand on a mountain top
Because I love to feel my spirit soar
*But I must come down from that mountain top
To the people in the valley below
They'll never know that they can go
To the mountain of the Lord!*

They can go to the mountain yeah...

Praising the Father is a good thing to do
I worship the trinity in spirit and truth
But if we worship all of the time
There would be no one to lead the blind

Chorus:

Well I am not saying that worship is wrong
Worship is more than just singing a song
It's all that you say and everything that do
It's letting His spirit live in you

C Good morning church! Today we are featuring Mary Helen Bowie in our Connection Corner.

R Mary Helen was born in Galveston, TX but grew up in nearby LaMarque. While in high school at LaMarque, she participated on the tennis team, debate team and was a National Merit Finalist. Following her graduation from high school, she later went on to receive her Bachelor's degree in Management/Marketing from the University of Houston.

R Mary Helen's family was staying in a camper at a fish camp on the Trinity River when one day she went for a walk. While walking, a young man (named Jim) drove by and "just happened" to hit a mud puddle, thoroughly soaking her. He did offer her a ride, to which she answered a resounding NO! Later, the family had to move the camper to a different spot when the river flooded, and she started watching people play pool at a nearby table. That same boy sauntered over and started talking to her and soon they began dating. He would drive to LaMarque to see her and within a year they married.

Jim worked in the oil and gas trucking industry for a while before spending 10 years teaching Auto Shop at a local south TX high school. He was then recruited by Hunter Equipment, an auto shop equipment company, and worked with them for 26 yrs. During this time, Jim and Mary Helen had 2 boys, one of whom is our own James Bowie. Jim coached the boys in little league baseball, built a batting cage in their back yard and helped develop a love for the game that has lasted generations. Ask Mary Helen about her family's deep involvement in playing the game! She taught in a day care for a few years before moving on to New York Life as an office manager. Unfortunately, Jim developed Parkinson's disease and passed away several years ago. Mary Helen moved to Ft Worth to be closer to James, Leah and their boys and became a member here at WH as well.

Mary Helen has spent over 50 years teaching cradle roll age children, except for a couple of years when she first moved to FW. She said she had never been to an "adult" Bible class during those years and thought getting to go for a while was "pretty cool!" Soon, her love for children motivated her back to the classroom where she once again shares her love for Jesus with these new generations of kids. She has been blessed with 5 grandchildren and 1 great grandson. I encourage you to reach out and get to know Mary Helen, you'll be blessed!
