Dear brothers and sisters,

All of us here at Carpenter Place are so grateful for the support of our brothers and sisters in Christ. We know there are many opportunities that you consider every year and we so appreciate your desire to help children and families in crisis.

Helping the residents of Carpenter Place means improving the future for not only them, but for the community of family and friends that they will eventually influence. Every young person who leaves here better able to manage emotions and behaviors will have more positive relationships. Every young person who graduates from high school and/or college will be a much better candidate for meaningful employment. And every young person who has taken to heart the spiritual teaching and examples from the mentors who surround them will be equipped to make good and moral choices.

Congregational support is a vital part of our income which is generated solely from private gifts. Thank you for helping Carpenter Place fulfill a mission of service. As always, you are welcome on our campus anytime.

Sincerely,

A handwritten signature in blue ink, which appears to read "Michael Bunch", is written over the "Sincerely,".

Michael "Brady" Bunch
